MEMPHIS, TENN., FRIDAY, MARCH 27, 1885.

VOL. XLV-NO. 74

Wan between England and Russia seems really to be imminent. The activity in mobilizing troops, shipping arms and munitions and the putting of more ironclads in commission is proof that England is ready for an emergency, and does not mean to be caught napping.

Tire correspondent of the New York Herald had a conversation on Monday last with Senator Isham G. Harris in regard to the conversation that gentleman had with President Cleveland last Friday in refer- Militia and Reserve Forces for Perence to the Tennessee appointments, and the Senator requested him to make the statement, "that that conversation was in all respects kind and respectful on both sides, and that there is not a word of truth in the report that the President said to Army and Navy Departments Taxed to him what was reported on what your correspondent then believed to be trustworthy authority, on Saturday. The President, Senator Harris says, made him no such re-
